Myrtle Beach, South Carolina

Hilton. Myrtle Beach. Oceanfront. For many, those few words are incentive enough. But bragging about this wonderful destination is so much fun, please forgive us if we go on a bit.

As a Hilton guest, you'll also enjoy access to the entire Kingston Plantation property featuring SPLASH!, adult and kiddie pools, a 50,000-square-foot Sport & Health Club with the latest equipment, aerobics, racquetball, sauna and whirlpool. Even play tennis or practice your putting.

First, the hotel. This newly-renovated Hilton sits on a pristine beachfront in the heart of the Grand Strand. All 385 rooms offer an ocean view and private balcony with many comforts of home.

This Hilton also offers dining options from seafood to casual fare. There's also Veranda Bar for a quiet drink and great view of the Atlantic.

Golf enthusiasts can arrange preferred tee times with our golf concierge for Arcadian Shores, our popular Rees Jones-designed course, or for any of more than 100 courses nearby.

Everything. Under the Sun.

Of course, Myrtle Beach is just minutes outside our gates. Everything from super-complexes offering specialty shops and restaurants and after-dark hot spots to major attractions like Ripley's Aquarium, the IMAX Discovery Theater, Carolina Opry and Dixie Stampede.

Just let our full-time entertainment planner help make arrangements for any show or event. It's their pleasure to see to yours.
